	FRIDAY 3/11/2017	SATURDAY 4/11/2017	SUNDAY 5/11/2017	MONDAY 6/11/2017	TUESDAY 7/11/2017	WEDNESDAY 8/11/2017	THURSDAY 9/11/2017
	MOTORWAY CONSTRUCTION PROJECTS	ROADS:ENVIRONMENT AND GEOTECHNICS	CULTURAL VISIT	BRIDGES	TUNNELS	MOTORWAY MANAGEMENT,OPERATIONS, AND SAFETY	TECHNICAL VISIT
9:00 – 9:50	**Opening Speech** ***Thierry Goger*** Secretary General Forum of European National Highway Research Laboratories Belgium	**Numerical analysis and design of geotechnical structures** *Lidija Zdravcovic* Ph.D. Professor Imperial College of London UK	Visit to White Tower of Thessaloniki	**Construction methods for bridges** *Ch. Polyzos* Civil Engineer "Egnatia Odos S.A."	**NATM tunnelling method for motorways** *S. Lekkas* Senior Geologist IRD Engineering Italy	**European transport policy** *K. Diamandouros* Head of Secretariat Office European Road Federation Belgium	Traffic Control Center
9:50 – 10:40	**Keynote Speech** **Harmony in bridge design** *E. Siviero* Professor Ing. Arch. HC Rector University eCampus Novedrate, Como Italy	**Road cuttings and cut slopes** *E. Sakoumpenta* Civil Engineer M.Sc. "Egnatia Odos S.A.		**Economic aspects of bridge engineering** *K. Petroutsatou* Ph.D. Assistant Professor Aristotle University of Thessaloniki	**Motorway tunnels with non-reinforced concrete lining** *K. Koukaliaroglou* Civil Engineer Geotechnical Engineer Parsons Corporation USA	**Motorway operations and maintenance** *J.C. Roffe* Vice-President European Road Federation Belgium	
10:40 - 11:00	**Coffee Break**	**Coffee Break**		**Coffee Break**	**Coffee Break**	**Coffee Break**	
11:00 - 11:50	**Motorway concession projects** *S. Pentheroudakis* CEO Concessionaire "Nea Odos"	**Road earthworks and environment** *Rosa Arce Ruiz* Professor University of Madrid Spain	Boat tour on Thermaikos Gulf	**Construction project of the 3rd Bosphorus Bridge** *J.F. Klein* T-engineering intl Consulting Engineers Switzerland	**Rational tunnelling in squeezing rock** *D. Kolymbas* Professor Dr. Division of Geotechnical and Tunnel Engineering University of Innsbruck Austria	**ITS for traffic management on motorways** *Cristina Pronello* Professor Sorbonne Universites - UTC Compiegne France	Visit to Vergina Archaeological Site
11:50 - 12:40	**The strategy for road infrastructure development in recession times** *S. Lambropoulos* Professor National Technical University of Athens	**Design and construction of reinforced embankments** *A. Ritsos* Civil Engineer Geotechnical Engineer "Edafomichaniki S.A."		**Suspended bridges: The Rio Bridge** *P. Papanikolas* Country Manager Vinci Concessions S.A. France	**Tunnelling in limestone formations** *M. Stathopoulos* M.Sc. Geologist	**Operations on peri-urban motorway** *B. Halkias* Transportation Engineer CEO "Attikes Diadromes S.A."	
12:40 – 13:00	**Coffee Break**	**Coffee Break**		**Coffee Break**	**Coffee Break**	**Coffee Break**	
13:00-13:50	**Experiences from managing quality of highway projects in Greece** *Y. Vakalis* Ph.D. Civil Engineer Project Manager of Concession Projects	**Geotechnical engineering – the art of burying success** *J. S. Steenfelt* Professor Technical Director COWI Denmark		**The Citadelle Bridge in Strasbourg: a balancing exercise** *A. Giannopoulos* Civil Engineer Egis Group France	**Experiences from TBM-EPB excavations for the Rome metro lines** *R. Ginanneschi, Geol.* SELI Technologies *A. Sciotti, Eng.* Roma Metropolitane, Italy	**Motorway pavements and asphalt courses** *A. Nikolaides* Ph.D. Professor Aristotle University of Thessaloniki	
13:50 – 14:40	**Motorway construction projects in Middle East** *A. Angelidakis* Dep. Project Manager Independent Engineer Central Greece Motorway	**Landsides and stabilization measures** *M. Skempas* Ph.D. Geotechnical Engineer World Bank Consultant		**Discussion**	**Discussion**	**Traffic safety on motorways** *F. Kehagia* Ph.D. Associate Professor Aristotle University of Thessaloniki	
14:40 - 15:30	**Lunch Break**	**Lunch Break**		**Lunch Break**	**Lunch Break**	**Lunch Break**
